

## Client agreement – Terms and Conditions

This agreement (hereinafter referred to as “Agreement”) establishes and regulates all relationships between Maxiflex Ltd, previously Maxiflex Global Investments Corp Ltd, (hereinafter referred to as “Company”) and each its client who has completed an application and opened a personal or trading account (hereinafter referred to as “Client”). By signing this Agreement, the Client confirms its consent to all provisions of this Agreement. Please note that this Agreement constitutes a legally binding agreement between the Client and the Company. If any Client does not agree to be bound by the terms and conditions of this Agreement, then such Client should not use or access the Company’s services and inform the Company in writing immediately.

In addition to this Agreement, please review the “Company's Privacy Policy”, “Conflict of Interest Policy”, “Execution Policy”, “Client Classification Policy”, “Investor Compensation Fund Policy”, “Contract Specifications” as well as other rules and policies related to the Services (collectively referred to as “Legal Documentation”), available on Website.

### Introduction

1.1. Maxiflex Ltd (previously Maxiflex Global Investments Corp Ltd), which is registered in Cyprus, is authorised and supervised by the Cyprus Securities and Exchange Commission (CySEC) under the Provision of Investment Services Law of 2007, Law 144(I)/2007 and Law of 2017, Law L. 87(I)/2017 (collectively referred to as “the Law”), as subsequently amended from time to time, and is registered under the CySEC’s Register of Cyprus Investments Firms (CIF), with CIF Number 258/14. The Company is registered under the Department of Registrar of Companies of Cyprus with Company Registration Number HE 327484. Its registered office is located at 46 Ayiou Athanasiou Ave., First Floor, Office 102, 4102 Ayios Athanasios, Limassol, Cyprus. The Company provides Forex and CFD trading services through its website [www.europefx.com](http://www.europefx.com) under the terms and conditions provided in this Agreement. The Company provides its services through a Trading platform — an electronic system for Forex and CFD trading on financial market.

1.2. This Agreement covers all partnerships between the Company and the clients that have been registered on [www.europefx.com](http://www.europefx.com). The Company provides its services only to clients who have reached the legal age (18 years old and above).

**EUROPEFX is owned and operated by MAXIFLEX LTD (previously Maxiflex Global Investments Corp Ltd)**

MAXIFLEX LTD (previously Maxiflex Global investments Corp Ltd), registered as a Cyprus Investment Firm (CIF) with the registration number HE327484 and licensed by the Cyprus Securities and Exchange Commission (CySEC) under license number 258/14

**Ver.5**

1.3. The Company has the right to change or amend the Agreement and any other Regulatory Documents, in its sole discretion, from time to time. The Client might be notified in advance about all of the changes made in this Agreement. Any such amendments will become effective on the date specified in the notice. These amendments will also apply to positions opened and to Orders placed prior to that date but shall in any event become effective within 5 days from the published notification. If the Client continues using the services of the Company after this term, then it shall be deemed that the Client expressly consents to the changes made. For the avoidance of any doubt, it is advised that the Client regularly checks this Agreement to find any changes and to monitor the news on [www.europefx.com](http://www.europefx.com).

### **Agreement on online service usage**

2.1. This Agreement covers all resources and information published on the Company's website ([www.europefx.com](http://www.europefx.com)). The Client should familiarize himself with all of the available information on [www.europefx.com](http://www.europefx.com).

2.2. The Client agrees that the Company's services should be used by people with specific knowledge and experience in the field of financial markets, and who are able, while making deals, to estimate the risk and profit levels without relying on the data provided on [www.europefx.com](http://www.europefx.com).

2.3. The Client should take into consideration the fact that Forex and CFD trading might be considered illegal in some countries. The Company does not give any legal advice regarding the matter of legality of its services within the country of the Client's residence. The Company may refuse to provide its services to Clients from countries that consider them as illegal. However, its website will still be available. In this context, it should be stressed out, that if the Client resides or is present in a jurisdiction that prohibits the use of the services offered on the website, the Client shall not participate in the prohibited activity. The Company might not target specific jurisdictions but it offers its services on a cross-border basis, while not having 'physical presence' and following a 'reverse enquiry'.

**\*NOTES:**

- All the above-mentioned documents, stated in the criteria of accepting new clients should be in English or translated into English.
- The Legal Entity's documentation must be recent and original or certified as true copies of the original.

- As an additional due diligence measure, the Company may do research and obtain information from the Registrar of Companies' records or from the equivalent authority in the legal person's country of incorporation.
- Documents with minor differences to the above which do not alter the meaning (equivalent documents) are acceptable.

In circumstances where we, in our sole and absolute exclusive discretion, deem that circumstances so warrant it and provided the minimum regulatory requirements are met, you have completed the on-boarding questionnaire and the new Client's cumulative total value of Deposit(s) do not exceed the amount of 2000 EUR/USD irrespective of the number of accounts the client holds with the Company, then we may provisionally permit you to trade on the understanding that:

- (i) All the requirements of clause 4.5 stated herein are fully satisfied
- (ii) the verification procedure will be completed within 15 calendar days of the initial contact, (i.e. acceptance of the Client Agreement or your first deposit, which comes first), in case the 15th day falls on a day which is not a business day in Cyprus or where the Company considers this day not to be a business day of the Company, including but not limited to, weekends or local public holiday, then the Company will, in its sole and absolute discretion, consider the last business day preceding the expiry of the 15th day as the last day by which all the customer's account details and documents had to be verified.
- (iii) If the verification of your identification documents is not finalised within 15 days from the initial contact referred to above, we will, without any claim or liability for any damages or otherwise, close your account with all open trades and you will no longer be able to trade or deposit.
- (iv) The client support personnel may contact you to complete the verification procedure in an effort to meet the 15-day deadline.
- (iv) If the verification procedure is not completed, then any open or pending positions will be closed on the fifteenth (15th) day of the initial deposit.
- (v) In case the client failed to complete the verification process, during the timeframe of 15 days, any business relationship between the client and the Company will be terminated and the client's trading account/s will close on the 15<sup>th</sup> day. Any remaining/ outstanding funds shall be returned to the place from where the client

made the deposits, in the same way they were originally made (such as bank, credit card, etc), notwithstanding whether the client initiated a withdrawal request. The returned funds (deposits) include any profits the customer has gained during their transactions and deducting any losses incurred.

- (vi) **Consent** - By accepting these Terms and Conditions you give your explicit consent to each and every aspect of this procedure
- Login and password, which you will use to get access to the member area on [www.EuropeFx.com](http://www.EuropeFx.com), should not be disclosed and should be kept in a safe place for the sake of security. In case you suspect that your personal details might be compromised then you should contact the Company's Support Department on [www.EuropeFx.com](http://www.EuropeFx.com) as soon as possible and change your password.
  - In case you would like to register as a Corporate Client / Legal Entity then you have to confirm that you accept all terms of the present Agreement on behalf of your whole organisation. From another side, our Company is obliged to comply with confidentiality policy regarding all data that you submit. Additionally, please note that for Corporate Accounts, the registration process and required documentation differ.
  - You agree that you are responsible for the usage of all trading strategies, trades and analytical reports and the Company is not responsible for any of your actions.
  - You agree to provide to the Company your personal details (name, address of residence, date of birth, etc.) for the purpose of opening a trading account, and you agree as well to provide further details, which might be needed. These details are used for verification in order to secure our client financial transactions.
  - You are the owner of a valid payment method (or authorized to use a valid payment method by the owner of that method).
  - You agree to use the Company's services exclusively on your own name and confirm that your actions do not have fraudulent intent.
  - You confirm that you are using the Company's services by your own free will.
  - You agree that data of your interaction with the Company will be saved and may be used in case of dispute situation between you and the Company or authorities and as per clause 20 of this Agreement.

– You give consent for your data usage in order to optimise your interactions with the Company (to inform you about new promotions or offers, or about important changes in the Company's practise) and as per clause 20 of this Agreement.

4.2. You will be aware that the Company may refuse to provide you one or another service in case it interacts with the interests of the Company.

4.3. You shall always collaborate with the Company in order to ensure that the Company at all times adheres to the Applicable Regulation.

4.4. The Company, in its sole and absolute discretion and without giving any reason, retains the right to decline any account opening application to be in accordance with applicable laws and restrictions.

4.5. In exceptional cases, the Company might enable a client that did not fully complete the verification process to deposit and start with the trading activity, taking into consideration that the client filled in already the registration form (including the appropriateness test, accepted the terms and conditions of the client agreement, client's economic profile) and that the verification process will be completed within the next 15 days from the date of the client's first deposit. Therefore, new clients who have deposited less than \$2000 or €2000 (two thousand US Dollars/ Euros) and did not provide any form of ID (Passport / ID Card/ Driving License) and proof of residential address, they will have 15 days from the date of the initial deposit on the registration, to complete and submit all the necessary KYC documentation. During the 15 days period, the client may be allowed to trade. The amount of €/\$ 2000 (euro or US dollars) is per client and not per account and will be considered as a cumulative amount, irrespective of the number of accounts that the client/beneficial owner holds with the Company. During the 15 days period, the client should not be allowed to deposit more than €/\$ 2000 (euro or US dollars), unless the verification process is completed. This 15 days exception falls under certain requirements and it is up to the Company's sole discretion to decide whether the client is considered to be low risk and therefore the exception might be granted. In case the client failed to complete the verification process, during the timeframe of 15 days, any business relationship between the client and the Company will be terminated and the client's trading account/s with all open trades will be closed on the 15<sup>th</sup> day. Any remaining/ outstanding funds shall be returned to the client's same bank account from where the deposits were made, notwithstanding whether the client initiated a withdrawal request. The returned funds

(deposits) include any profits the customer has gained during their transactions and deducting any losses incurred.

The client's deposit/s shall be originated from a bank account (or through other means that are linked to a bank account e.g. credit card), that is in the name of the client, in such a case the Company shall be able to verify the account holder. The first deposit (FTD) of the client shall be originated from an EU bank or a bank licensed within an equivalent AML jurisdiction (for third countries).

### **Client's responsibilities**

5.1. The Client confirms that the funds, which are used for trading through the Company's services, belong to the Client, are free from taxation, and are not credit or fraudulent funds.

5.2. The Client obliges to act in his or her name and should not represent interests of any other third party. The only exception is the case when there are proper documents that entitle to act on behalf of another person and those documents have to meet the Company's requirements.

5.3. The Client understands that the Company may return all funds to the legitimate owner if there will be any incontrovertible evidences that those funds, which are used for trading, belong to a third party or obtained by criminal means. More than that, the Company has the right to cancel the Client's transactions and terminate this Agreement. All legal measures can be taken in order to compensate for the Company losses if there are facts of the Client fraudulent activity.

5.4. The Client confirms that by the moment of signing this Agreement he or she has reached legal age and is legally capable to act.

5.5. The Client agrees that any deals, which he or she made via the Company's services, shall be carried out through the Company's Trading platform.

5.6. The Client is responsible to provide to the Company genuine documents and keep them up to date.

5.7 The Client is the sole responsible person for his/her trading activity and for any investment decision and shall not rely on any material provided by the Company or any of its Affiliates, employees or related parties and shall not treat such information as an investment advice or recommendation. Any material provided shall be used only for educational and informative purposes and shall not be considered as investment nor trading advice. Independent professional advice shall be sought by the client prior to any

trading decision. No information provided by the Company shall be deemed as an assurance or guarantee on the expected results of any transaction

5.8 If the client chooses install any third party or follows any instruction or indication from third party providers (such as trading signals, copy trading, strategies, Expert Advisors, algorithms, trailing stops etc.) the Company shall not be held responsible for any losses incurred or any malfunctions, delays, inaccuracies due to the abovementioned.

### **Client Categorisation**

6.1 According to “Applicable Regulations”, the Company will treat the Client as a Retail Client, Professional Client or Eligible Counterparty (“ECP”), depending on the information provided by the Client in his Application Form and according to the method of classification as this method is explained under the title “Client Categorisation Policy.

6.2 By accepting this Agreement the Client accepts application of such method. The Company will inform the Client of his Categorisation.

6.3 The Client accepts that when classifying the Client and dealing with him, the Company will rely on the accuracy, completeness and correctness of the information provided by the Client in his Application Form and the Client has the responsibility to immediately notify the Company in writing if such information changes at any time thereafter.

6.4 The Company gives different levels of regulatory protection to each Client category and hence to Clients within each category. In particular, Retail Clients are granted with the most regulatory protection; Professional Clients and ECPs are considered to be more experienced, knowledgeable and sophisticated and able to assess their own risk and are thus granted with fewer regulatory protections.

6.5 The Client has the right to request a different Classification in order to increase or decrease the level of regulatory protections provided. Where a Client requests a different classification (either on an overall level or on a product level), the Client needs to meet certain specified quantitative and qualitative criteria (for more details as to the procedure please refer to Client Classification Policy). However, if the above-mentioned criteria are not met, the Company reserves the right to choose whether to provide services under the requested classification.

6.6 It is understood that the Company has the right to review the Client’s Categorisation and change his Categorisation if this is deemed necessary (subject to Applicable Regulations).

### **Suitability and Appropriateness Test**

7.1 It is understood that when providing the Client with reception and transmission and execution Services, the Company is not required to assess the suitability of the Financial Instrument in which the Client wishes to transact, nor the service(s) provided or offered to him. As a result, the Client will not benefit from the protection of the Applicable Regulations as regards to the assessment of suitability. For the additional investment services (portfolio management and investment advice) the Suitability test is required in order to evaluate client's knowledge and experience, financial situation and investment objectives.

7.2 The Company is obliged under the Applicable Regulations to obtain information about the Client's knowledge and experience in the investment field so that it can assess whether the service or product envisaged is appropriate for the Client.

7.3 If the Client chooses not to provide such information to the Company, or if the Client provides insufficient information, the Company will not be able to determine whether the service or product envisaged is appropriate for the Client. The Company shall assume that information about his knowledge and experience provided from the Client is accurate and complete and the Company will have no responsibility towards the Client if such information is incomplete or misleading or changes or becomes inaccurate and the Company will be deemed to have performed its obligations under Applicable Regulations, unless the Client has informed the Company of such changes.

### **Trading on financial markets**

8.1. When the Client accepts this Agreement, he or she will be able to access the Company's trading system hence will be able to make a trade on financial instruments, which are provided by the Company.

8.2. The Client agrees that he or she will keep credential details in a safe place that is not available to any third parties, and will not disclose them to anyone. The Client agrees not to resist any actions that upgrade security of his or her data and procedure of the access to data.

8.3. The Client agrees not to use the Company's trading platform for any fraudulent activities, such as price manipulation or intentionally caused trading platform malfunctions in order to get profit.

8.4. The Client is responsible for keeping his or her credential data of the Trading platform safe. In case you suspect that your credential details might be used by third parties without

your consent you have to immediately inform the Company and undertake all required measures to secure your details. The Company notifies you that all trading orders and financial transactions that were initiated with your credential details will be considered as your orders and transactions made by you.

8.5. The Client has to notify the Company about all occurrences of receiving wrong market data on the Trading platform, failing to execute a trading order or false order execution, which the Client did not make.

8.6. The Client gives his / her consent to use a software that is required to install and correctly operate Trading platform.

8.7. The Company cannot be liable for any unauthorised access by third parties to the Client personal information or leakages during data transmissions towards the Company's representatives through the Internet.

8.8. The Company also cannot be liable for any electricity malfunctions, which may lead to inadequacy in the Trading platform performance and/or for any losses or damages that may arise as a result of technical failures which may result in any part of the trading cycle i.e. from the price feed to the execution and settlement of any trades.

8.9. The Company is not liable for damages that the Client may suffer as a result of incorrect market data transmissions, technical problems and other malfunctions, network overloads, computer viruses, etc. The Client should understand that in case of any technical failure he or she may have limited access to the Trading platform. The Company may notify the Client in advance if it will be necessary to temporarily suspend his or her access to the Trading platform because of above-mentioned reasons.

8.10. The Company reserves the right to terminate the Client's access to the Trading platform in its sole discretion in cases this measure is required. Such cases include the following:

- a) The Client violates the conditions of the present Agreement and does not fulfil obligations;
- b) There is a problem with the Internet connection or the electricity supply of the Trading platform;
- c) there is a need to protect the Client's interests because of his or her personal details security threat.

8.11. The Company has the right to cancel a transaction (trade) with Forex and CFD buying or selling if the contract has been made on a price that does not reflect fair market price.

In this case the Company will inform the Client about any mistakes regarding the trade price and cancel the Client's trade. If deemed necessary the Company may restrict the volume of the Client's trades or impose other restrictions. Profits of the contract with incorrect price will be paid in accordance with the current market quotes, which can be found on [www.europefx.com](http://www.europefx.com) and that will be in communication with the bank-to-bank trade results.

## **Trading**

### **9.1 Transaction execution**

9.1.1. The Client puts an order with the price that he or she can see in the Trading terminal and when the trade is opened then the execution will start. The price in the Client's order may differ from the current market price because of the high market volatility or by delays caused by failures in the Internet connection between the Client and Company servers. The Client has to make a trade in his or her own name or entitle somebody else to act on his or her behalf. The latter needs notarized power of attorney and other required documents.

9.1.2. The Company agrees that it will put on its best effort for the most effective execution of the Client's order, although the Company cannot guarantee order execution in exact compliance with the Client's pre-sets. The Company will immediately notify the Client if there is no possibility to execute his or her order (for example due to market closure, asset illiquidity, etc.)

9.1.3. Trading order can be put and executed/deleted only during the Company's trading hours, however this order will remain valid during the next trading hours' timeframe.

9.1.4. The Company can change the list of assets that are available for the Client to open Forex and/or CFD trades. Let's say if one of the major assets has high chances to fall down and the Company is aware of this fact, then the Company is entitled to withdraw the asset from its Trading platform.

9.1.5. If deemed necessary the Company may impose limitation on the number of opened positions by a Client or impose other limitations, for example:

- a) Limitation on the maximum amount per order.

- b) Control of the Trading platform in order to identify the Client while he or she makes a trade.

9.1.6. If these limitations will be imposed, the Company will notify the Client in advance about such changes.

9.1.7. The Client should understand that some financial markets might impose their own limitations on synthetic order type.

9.1.8. In case the Client has any open positions on the ex-dividend day for major asset, the Company has the right to close such positions at the last price of the previous trading day and open the equivalent volume of the underlying financial instrument at the first available price on the ex-dividend day. In this case, the Company will inform the Client about such adjustment and no Client consent will be required.

#### 9.2 Transaction confirmations:

Confirmations for all transactions that have been executed in the Client's trading account will be available via the Client's online account through the Trading platform as soon as the transaction is executed. It is Client's responsibility to notify the Company, within 2 Business Days, if any confirmations are incorrect. The Client may request to receive the Account statement for a month or a quarter. The Company may provide it but is not obliged to provide to the Client this data. It is the Client's responsibility to inform the Company of any change to his email address (or any other relevant personal information), the nonreceipt of a Confirmation, or whether any Confirmations are incorrect before settlement.

#### 9.3. Authorisation of a third person to give instructions on behalf of a Client

The Client has the right to authorize a third person to give orders to the Company. In order to do so, the Client has to authorize the third person in accordance with the legal procedure and provide notarized documents that prove the third person authorization. In case the Client wants to terminate the third-party authorization then the Client has to notify the Company of such decision in writing.

9.4. The Company shall provide the Client with reports on the services provided in a durable medium.

### **Pricing policy**

10.1 The provision of Services is subject to the payment of costs, fees, commissions, daily funding, charges to the Company (the "Costs"), which are set out in the "Contract Specifications" or on the Company's Site. In addition to Costs, other commissions and charges may be due by the Client directly to third parties. The Client shall be obliged to pay all such costs.

10.2. The Company may set prices on assets in the following cases:

- a) The Company uses its right to close the Client's transaction in favour of the Client or the Company.
- b) The Client Transaction closes automatically.
- c) Chargeback fee of 200 Euro handling fee per chargeback regardless of amount.

It is the Client's responsibility to decide whether or not he/she wishes to deal at the price quoted by the Company.

10.3 Each price shall be effective and may be used in a dealing instruction prior to its expiration time. A price may not be used in a dealing instruction after such time. The Company is not required to notify the Client before the price expiration time.

10.4 The Client acknowledges that these prices may differ from prices provided by other companies to its clients. Prices provided by other companies and other third parties are not considered to be by the Company and do not affect the trading activities of the Clients.

10.5 The Company has the right to stop providing prices for specific currency pairs and settlement dates at any moment without prior notice to the Client. When the Company quotes a price, market conditions may move before the time when the Client's order will be executed. Such movement may be in the Client's favour or against it.

10.6 When providing a Service to a Client, the Company may pay or receive fees, commissions or other non-monetary benefits from third parties or Introducers to the extent permissible under Applicable Regulations. To the extent required by Applicable Regulation, the Company will provide information on such benefits to the Client on request.

10.7 Details of any taxes which the Company is required to pay on the Client's behalf will be stated on Confirmations issued to the Client. The Client may also be liable for other taxes which are not collected by the Company and the Client should seek independent expert advice if he is in any doubt as to whether he may incur any further tax liabilities. Tax laws are subject to change from time to time.

10.8 The Client shall be solely responsible for all filings, tax returns and reports on any Transactions which should be made to any relevant authority, whether governmental or otherwise, and for payment of all taxes (including but not limited to any transfer or value added taxes), arising out of or in connection with any Transaction.

10.9 The Client undertakes to pay all stamp duties and other expenses related to this Agreement and any documentation which may be required for the carrying out of the transactions under this Agreement.

10.10 The Company may vary its costs from time to time. The Company shall notify the Client of any changes, before they come into effect. The variation will take effect from the date of which the Company specifies in its notification to the Client. The Company will endeavour to provide the Client with at least five Business Days' notice of such alteration save where such alteration is based on a change in interest rates or tax treatment or it is otherwise impractical for the Company to do so.

10.11 Inactivity Fee - If the client did not trade or conducted any trade during a calendar month, then the account status will be "inactive" which is denoted as the 'absence of any trading activity during a calendar month'. The Company has the right to charge a fixed payment of 50 (GBP/USD/EUR) per month depending on the trading account's currency as "inactivity fee". The payment of the abovementioned amount usually commences at the end of calendar month, and will continue for as long as the Client's trading account is inactive. For inactive accounts with available balance less than 50 (GBP/USD/EUR), the Company reserves the right to charge a lower amount for inactivity fee.

### **Refusal to execute the Client's order**

11.1. The Company has the right, at any time and without giving any notice, to refuse to execute any order in the following cases:

- a) If the Company has adequate reasons to suspect that the execution of an order is part of an attempt to manipulate the market, trading on inside information, relates to money laundering activities.
- b) Trade can potentially affect the reliability or efficiency of the operation of the Trading Platform.
- c) The Client does not have enough money at his account to make the transaction.

The Client is not liable to the Company for any of these occurrences and does not complaint against the Company.

### **Cancellation of the Client's transactions**

12.1. The Company has the right to cancel a Client's transaction in the following occurrences:

- a) The Company has adequate reasons to believe that the Client involves fraudulent practise in his or her activity.
- b) Order was placed on a price that doesn't match the market one and was displayed as a result of system errors or system malfunctions (either through the Company's or the Client's fault).
- c) The Transaction has been performed in violation to the provisions of this Agreement.
- d) The Client uses too often the cancel trade feature. The Maximum amount of his/her trades cancellation is two cancelled per one made trade.
- e) The Company reasonably suspects that the Client performed abusive trading such as, but not limited to, Snipping, Scalping, Pip-hunting, Hedging, placing "buy stop" or "sell stop" Orders prior to the release of financial data and/or placing orders during the release of financial data, arbitrage, manipulations or a combination of faster/slower feeds.

12.2. If the Client considers his or her position as unwilling then there is the option to cancel the trade within 3 seconds since the position has been placed.

### **Client's transactions management**

13.1. Forex and CFD trade is completed when the financial contract has been opened and confirmed by the Client.

13.2. The Client agrees to be fully liable for the management of every transaction that was made under his or her account through the Company's Trading terminal.

13.3. The Statement of the account can be provided by the Company to the Client once a year. Any confirmation of the account balance or completed transactions shall be final, unless the Client has any objection in relation to such account balance statement or completed transactions. Any objections should be communicated in writing and received by the Company within 5 working days from the moment of any Account statement or transactions receipt.

13.4. In case the Client can check an Account statement online on a continuous basis, then the Company will consider any objections of the Client to be valid only within 2 working days from the disputable transaction completion.

13.5 The Client understands and accept that he must not conduct any abusive trading techniques such as, but not limited to Scalping, placing of 'Buy Stop' or 'Sell Stop' orders before the release of any financial data, Arbitrage, System or Platform Manipulation. In

such cases, the Company reserves the right to reverse/ cancel part or all of Client's transactions and/or terminate any contractual relationship.

### **Client's funds usage**

14.1. Funds belonging to the Client that will be used for trading purposes will be kept in accounts that any banks and/or financial institution used to accept funds, which the Company will specify from time to time. Funds will be held in the Client's name and/or the Company's name. It is understood that the Company is not liable for inability to pay as well as omission to act from any third party, which are connected to this clause. In order to start the trading activity, the client needs to deposit the necessary funds 'margin', as per the Company's Contract Specifications to be able to open positions. In case that the client's available equity drops below the margin requirements of his portfolio, then there is a risk of automatic closure of any open positions by the system, as alternative, the Client can decide to proceed with further deposit to keep the equity above the margin requirements.

14.2. Client's funds that are deposited to his or her account will be held on the Company's accounts or on accounts of Company's paying agents. Information about the Company paying agents can be found in the Member area.

14.3. Upon signing the Agreement, the Client authorizes the Company to make any deposits and withdrawals from the Account on his or her behalf in order to settle trades. The Company is entitled, without prior notice to the Client, to effect any currency conversions which it deems necessary or desirable in order to make a deposit into the Client Account in the Currency of the Client Account or comply with its obligations or exercise its rights under this Agreement or complete any specific Transaction or Order. Any such conversion shall be made by the Company at reasonable exchange rates as the company shall select, having regards to the prevailing rates. The Client will bear all foreign currency exchange risk arising from any Transaction or the exercise by the Company of its rights under the Agreement or any law.

14.4. The Company is liable to pay to the Client any amount that must be paid by transferring money to the Client's bank account or to account in any other payment system. Time-frames for request processing are stated on the Website ([www.europefx.com](http://www.europefx.com)). The time needed for crediting into the Client's personal account depends on the Client's bank account provider.

14.5. The Client may withdraw from his or her account any available amount that is not involved in trades and not held to meet margin requirement without closing the account.

14.6. When the Client requests a withdrawal, it shall be usually processed by the Company on the same day but no later than the next business day if the request is received until 10.00

AM (Cyprus time), “the cut off time”; if the request is received after “the cut off time” which means after 10.00 AM (Cyprus time), the withdrawal usually will be processed the next business day but no later than the next two business days. When the withdrawal request is processed, the transferring amount reduces the balance of the Client’s account and may cause margin call and stop out which can lead to closure of part or all of your open trades.

14.7. The Client acknowledges that the bank transfer might take up to 7 working days. The Company shall not be liable for any delay that folds beyond the Company’s control.

14.8. When the Client requests to withdraw the whole amount of his/her money or some part and does not meet the provisions of this Agreement then the Company has the right to refuse the Client’s request or extend the time for its processing.

14.9. Any fees that are charged by bank or payment system due to funds transferring from Client’s trading account to his or her bank account or account in any other payment system will be paid by the Client. The Client is liable for correctness of provided payment details.

14.10. The Client agrees that the funds will be credited to his or her account with fee deduction that have been paid to bank or any other payment system, which the Client uses.

14.11. Withdrawals of the funds should be made using only the same method that was used by the Client to fund his trading account. If the Client wants to use a different payment method then the Company reserves the right to decline a withdrawal with a specific payment method and to suggest another payment method.

14.12. If the Client failed to provide the full list of the required documents, that are needed to complete a withdrawal, then the Company may request additional documents and in case of failure to submit it the Company has the right to refuse or delay further processing of the request and to credit funds back to the trading account.

14.13. A withdrawal request might be refused in case the Client does not have a sufficient amount of funds in his/her trading account or the open positions use the funds of the account as collateral or security.

14.14 Withdrawal fee: The Client will be charged with a withdrawal fee of 40 (EUR/USD/GBP) depending on the trading account’s currency, per withdrawal.

14.14. In accordance with the international rules that should prevent money laundering the Client is required to provide all necessary information about himself or herself in a billing document.

14.15. The Company will not credit money to the Client's account from a third party unless the Client provides written consent to do so.

14.16. The Company may refuse to accept the Client's funds in the following cases:

- a) The transfer has been made by a third party without the proper documents, which confirm the Client's approval to do so.
- b) The Company has reasons to suspect that the Client might be not fully authorized to transfer money.
- c) A money transfer violates the country's law, in which the Company has been registered. In all these occurrences, the Company will send these funds back to the Client through the original payment method, which the Client chose. Fee for money transfer will be paid by the Client.

When there is need to make such transfer, the Company is required to notify the Client as soon as possible, as well as to notify about all fees and expenses, which the Client has to pay.

14.17. The Client is also obliged to read and fully understand additional information regarding each fund's deposit/withdrawal method.

### **Company's liability to Client**

15.1. The Company will perform the Client's transactions in good faith and with proper due diligence but shall not be held liable for any Client omission or fraud. The Company is not liable for any losses that have been caused by the Client's trading activity.

15.2. In case the Company incurs losses and damages that arise from the Client's actions, then the Client is liable to refund all losses and to cover the Company's expenses.

15.3. The Company is not liable for the Client's funds losses that arise from the Client's trading activities that were based on fail market data, unless the Client notifies the Company about this fact.

15.4. Also, the Company cannot be liable for:

- a) The Company's system errors;
- b) Quotes delays;

- c) Internet viruses;
- d) Illegal Trading terminal usage;
- e) Actions of the clearing institutions or others that regulate financial markets.
- f) Transactions made via the Client Terminal;
- g) any failure by the Company to perform any of its obligations under the Agreement as a result of Force Majeure Event or any other cause beyond its control;
- h) the acts, omissions or negligence of any third party;
- i) any person obtaining the Client's Access Data that the Company has issued to the Client prior to the Client's reporting to the Company of the misuse of his Access Data;
- j) all Orders given through and under the Client's Access Data;
- k) unauthorized third persons having access to information, including electronic addresses, electronic communication, personal data and Access Data when the above are transmitted between the Parties or any other party, using the internet or other network communication facilities, post, telephone, or any other electronic means;
- l) a delay transmitting any Order for Execution;
- m) currency risk;
- n) slippage;
- o) any of the risks related to Forex and CFD trading materialises;
- p) any changes in the rates of tax;
- q) any actions or representations of the Introducer;
- r) the Client relying on Trailing Stop and/or Expert Adviser;

15.5 The Company is not liable for failing to fulfil its obligations towards the Client if it has been caused by reasons beyond its control (hardware failure, quotes failure or delay, force majeure, etc.)

15.6 The Company is not liable for closing a trade (it is the Client's responsibility).

The Company as well as any of its representatives is not liable for the Client losses that arise from negligent or violation of provisions of this Agreement.

15.7 The Client confirms that he or she accepts this Agreement of his or her own free will. The Company cannot be liable for any situations that are not described in this Agreement and it cannot be considered as fraud from the Company's side.

If the Company incurs any claims, damage, liability, costs or expenses, which may arise due to the execution or as a result of the execution of the Agreement and/or in relation to the provision of the Services and/or in relation to any Order it is understood that the Company bears no responsibility whatsoever and it is the Client's responsibility to indemnify the Company for such.

The Company shall in no circumstances be liable to the Client for any consequential, special or indirect losses, damages, loss of profits, loss of opportunity (including in relation to subsequent market movements), costs or expenses the Client may suffer in relation to the Agreement.

- 2.4. In case the strategy is no longer suitable for your category of group it will be removed from your available strategies. The removed strategy will stop giving signals for open trades and it will only send signals for closing your transactions of trades. In addition, if the Client sees that the strategies in his portfolio are no longer available, it can be closed by the Client at any time by contacting the Company at [support@europefx.com](mailto:support@europefx.com).

## **3. Company's responsibilities**

- 3.1. The Company will inform the Client on a regular basis of the details of his Suitability Assessment and Investment Profile.
- 3.2. The Company shall take reasonable steps to check the reliability of information collected from Clients, while it shall ensure that in case of any inaccuracies/inconsistencies resulting from the answers provided, the Company shall contact the respective Client for resolving such inaccuracies/inconsistencies.
- 3.3. The Company will execute all instructions generated by the Copy-trading Services and report to the Client on the resulting transactions via its website.
- 3.4. The Company shall continue to be committed to exercising reasonable endeavours to monitor the performance of copied trader, account, portfolio and/or strategy, against parameters established by it, which may include, risk behaviour, profitability, drawdown and any other parameters deemed relevant by the Company and to stock and/or block any trader, account, portfolio and/or strategy from being copied.

#### **4. Client's responsibilities**

- 4.1. Before deciding to copy a specific trader or traders, strategy and/or portfolio, the Client has to consider his entire financial situation including his financial commitments, risk tolerance and objectives. The Client understands that using Social Trading services is highly speculative and that the Client may sustain significant losses exceeding the amount used to copy a trader or trades.
- 4.2. The Client acknowledges that the Company cannot provide any guarantee as to the performance of any particular investment, account, portfolio or trading strategy.
- 4.3. The Client acknowledges the risk associated with Social Trading features and particularly with Copy-trading Services, as more fully described herein, including but not limited to, automated trading execution whereby the opening and closing of trades will happen in Client's account without his manual intervention.
- 4.4. The Client authorize the Company to limit and/or withhold above-mentioned services based on Client's investment profile and ongoing suitability assessments in accordance with its policies and procedures.

- 4.5. The Client authorize the Company to execute any and all transactions and/or positions undertaken by the trader, account, portfolio and/or strategy the Client wished to Copy-trade, including without limitation, Copy-trading, stop Copy-trading and/or pause Copy-trading another trader, account, portfolio and/or strategy and setting limits to any position (including copy position). These actions are done automatically once initiated by the Client and the Client doesn't need any prior consultation, consent or approval of ongoing activity or copied trades.
- 4.6. The Client hereby confirms that he acknowledges that at any time, upon his sole discretion, he can stop, pause, restrict and/or limit any Copy-trading activity.
- 4.7. The Client remains, at all times, solely responsible for monitoring, selecting and assessing:
- I. the suitability of the copied accounts
  - II. the overall performance of the copied trader, account, portfolio and/or strategy.
- 4.8. When Copy-trading a Company's Portfolio, the Client further authorizes the Company, to: (a) to copy or stop copying any trader, account, portfolio and/or strategy, at its sole and absolute discretion; (b) to open and/or close any position available on our Websites/applications, at its sole and absolute discretion to set limits to any position (including copy position); (c) to update and/or amend the policy, the objectives, the structure and/or composition of any Company's Portfolio, at its sole and absolute discretion, with or without notice to its copiers; (d) to close any such account, portfolio and/or strategy, at its sole and absolute discretion, with or without notice to its copiers.
- 4.9. The Client acknowledges that he is using the Social Trading services at his own risk and the Company and its affiliates, agent, employees, clients will not be liable for any losses that might arise as a result of your use of above-mentioned services. The Company cannot guarantee the successful future performance of Client's account, neither can any copied trader, account, portfolio or strategy. Investment strategies are subject to various market, currency, economic and political and business risk. Investment is very risky and the Client might lose the entire invested amount.
